However, while many of those card groups have sizeable player bases as their supporters, others are neglected due to various reasons. In this series, I will take a look at these unpopular archetype options, describe in brief what their problems are and how you could still build decks using them, starting with the ill-fated Allies of Justice.

ABC Deck 2020 - Union Hangar is now a 1 card combo?! - YouTube

The first deck of playing cards was invented in China sometime during the 9th century. A lot has changed since that time. The number of cards, the suits, and the appearance of the cards to name just a few things. One thing that hasn't changed is the popularity of playing cards among the masses. More than 100 million decks of playing cards are created each year. Billions of card games are ...
