[PDF] The Golden Ticket - P, NP, and the Search for the ...

(Even light travels so slow here) The golden ticket to "paradise" is to prove that hard problems (NP) can be reduced to possible problems (P), then P = NP. Lance explores this magnificent challenge using several entertaining analogies (e.g., finding one ticket within many many chocolate bars).

Amazon.com: Customer reviews: The Golden Ticket: P, NP ...

Even better if you can show P = NP, for you then have a procedure that finds golden tickets, such as the solutions to all the other Millen- niium Prize Problems. Prove P = NP and get \$6 million for solving the six unsolved Millennium Problems. Showing either P = NP or P ≠ NP won't be easy.
